## CIGARS

---

### Cuba

#### **Cohiba Siglo II Corona**

##### **Medium-bodied**

The most well-known size out of the cohiba range. With a beautiful silky wrapper that gives notes of wood, leather and earth, and slight hints of cedar. It is a constant medium-bodied smoke with peppery and creamy tones and even slight cinnamon and cedar, ending with a spicier leathery state with tones of nuts and cedar.

#### **Romeo Y Julieta - No.1 Tubos**

##### **Mild/Medium-bodied**

The No.1 is worldwide famous for their packaging, easy carrying and a good price-quality. It is a mild cigar for any aficionado who wants to have an easy smoke without too much hassle. You will notice a light peppery dryness and freshness with a light hint of coffee, and overall tones of hay, cedar, and some nuttiness.

## Nicaragua

### CAO: Nicaragua Tipitapa

#### Medium-bodied

CAO makes a triumphant return to its roots with CAO Nicaragua, the brand's first Nicaraguan-centric blend. This cigar is a tribute to Nicaragua. The tasting notes in this cigar are peppery, toasty and hints of vanilla and nuts. At the core of the cigar is a selection of Jalapa, Estelí and Condega. The binder and wrapper are both Honduran Jamastran.

### Diesel Cask Aged Sherry - Robusto

#### Medium/Full-bodied

Crafted with Rabbit Hole Distillery in Louisville Kentucky and blended by cigar master A.J. Fernandez. Diesel Whiskey Row Sherry Cask is the follow up in the highly acclaimed Diesel Whisky Row line. The cigar has a connecticut broadleaf a brazilian binder, a nicaraguan filler, and notes of dark fruit, cedar, cocoa and peppery hints.

## Dominican Republic

### Macanudo Inspirado Black - Robusto

#### Medium/Full-bodied

A more bold and intense blend, produced in the Dominican Republic. With a dark Connecticut Broadleaf, an Ecuadorian Sumatra binder and a filler from Nicaragua that results in a rich aroma and unique flavour profile of spices, dried fruit and an earthy sweetness. This blend altogether makes it a rich and creamy smoke that is full bodied with many nuances.

### Balmoral Añejo XO - Corona

#### Medium/Full-bodied

XO stands for Exceptionally Old and refers to the intense blending process with extraordinary-aged tobaccos. To harmonise, it has rested 6 months after blending the cigar, resulting in a refined yet complex aroma. The wrapper is a Brazilian Sungrown Arapiraca, causing a bit of sweetness and cocoa. It represents a more floral and dried fruit aroma with hints of cinnamon as well.

## **Balmoral Añejo XO**

### **Connecticut -Rothschild Masivo**

The Connecticut serie within the Añejo XO line has a Connecticut wrapper, Ecuador Sumatra binder and the filler contains Brazilian, Dominican and USA Pennsylvania tobaccos. With a very smooth and creamy tasting profile with tones of hay, almonds, cinnamon, leather and cedar.

## **Costa Rica**

### **Casdagli Cigars**

#### **Daughters of the Wind - Torpedo Calico**

This cigar is handcrafted in Costa Rica at the exclusive IGM Cigars boutique factory in San Jose. The filler contains Peruvian and Dominican tobaccos, the binder is Costa Rican and the wrapper is an Ecuador Habano. The tobaccos are all rare and have a unique combination: full bodied and complex with rich, sweet and spicy notes of caramel, vanilla, cinnamon, nutmeg and baking spices.
